**ARIZONA COUNTRY THUNDER – 2010 FESTIVAL RUMBLES
WITH BLOCKBUSTER 4 DAY SCHEDULE**

**APRIL 14-17TH STAGING HEADLINES KEITH URBAN, WILLIE,
KID ROCK**

(Florence, AZ) December 10, 2009 – One of country music’s premier festival events—Country Thunder USA—is back in 2010 with the promise of kicking up more serious dust than a cattle drive headed west.

The outdoor staging held onsite at the sprawling Canyon Moon Ranch, in Florence, Arizona, has rightfully earned its reputation as one of the nation’s top music/onsite camping multi-day events. Music fans that come to party hardy can cowboy-up for a full 4-day general admission pass for \$99.00 –with passes now on sale. One day event tickets will also be available closer to the event. VIP and sponsorship packages are also available with added perks of hospitality tent access, preferred parking, and premium concert seating. Organizers encourage early bird tickets as the event is expected to sell-out.

This year’s edition of Country Thunder was moved by the event’s planning team to the April 14th-17th time slot to avoid a head-on collision with the NASCAR Race Weekend in Phoenix. Country music and race fans can now have the double bonus of accessing both events, with the additional premium of Country Thunder’s presentation of their strongest talent line-up to date.

The announced line-up includes:
